Case called for emergency status conference on the motion filed by defendants for continuance of the jury trial set for November 27, 2001. Court hears defendants reasons for the continuance of the trial and the opposition of plaintiff. Court denies the motion for continuance of trial and states to the attorneys that the trial will commence as scheduled on November 27, 2001 and will continue until it is finished. Parties estimate the case will last two weeks.

Parties to be notified.
